## *Make My Devotions to Go!*

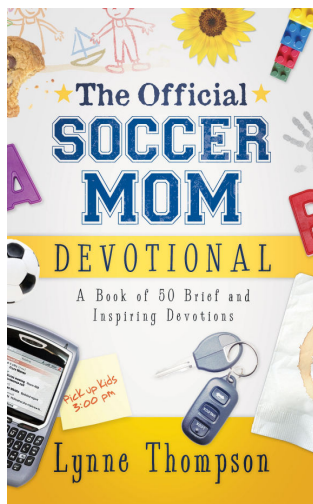

### **The Official Soccer Mom Devotional Arrives Just In Time for Busy Moms**

Finally a devotional that can keep up with a mother's busy "drive everywhere" lifestyle. **The Official Soccer Mom Devotional** (Regal Publishing).

- The Official Soccer Mom Devotional, by Lynne Thompson (Regal Publishing)
- Available at Christian bookstores, Borders, and selected Target Stores
- Provides mini devotionals for moms on the go.
- Encourages busy moms

Lynne Thompson says she's a typical soccer mom, and is excited to share her mom moments with the release of her new book *The Official Soccer Mom Devotional*, (Regal Publishing).

Thompson says her book offers a van load of God's truth and a sport bottle filled with laughter. She hopes her book will encourage busy moms who are often overworked, underpaid and mocha deprived.

"I want to be the voice out there that acknowledges real life doesn't always look as we envisioned, yet it can be just as rewarding when you turn to God to help you with those 'peanut butter on your new blouse' and 'broken window' situations."

Inside the book, readers will find mini devotionals relating to mom-life, plus extra equipment like: quizzes, games, a chance to instant message with God, and practical soccer mom tips. It's the spiritual boost every woman needs to meet her soccer mom goals.

Radio personality and author Lynne Thompson, can be heard in the United States and Canada on Focus on the Family's Weekend radio broadcast as "The Soccer Mom." Her book, *The Official Soccer Mom Devotional*, is dedicated to encouraging women with a van load of God's truth and a sport bottle filled with laughter. Lynne resides in California's Central Valley with her husband Pete, of twenty-three years, and their two children, whom Lynne drives to more activities than she can count.
